

NOA TABLET PROMPTER

MAKING A SPEECH HAS NEVER BEEN EASIER!

The NOA Tablet Prompter is easy to use, with **tool-free assembly** and **light-weight design**, allowing you the freedom to perform your speech anywhere you want!

It is fully compatible with **7" to 11" Android and Apple Tablets**. It works with **DSLR to mini ENG cameras up to 2.5kg**, and has a **12ft reading range**. It also supports **any bluetooth keyboard or mouse**.

It has a flexible **tripod-mount design** and a **quick-release camera platform**.

What makes the NOA Tablet Prompter unique from the other tablet prompters on the market is its **vertical positioning** and **adjustable glass height** features!
